EXPERIENCE

University of Texas at Austin

Peer-Led Undergraduate Study Facilitator for Biochemistry for Non-Majors

August 2016 - December 2019

- Facilitated weekly 2-hour study group sessions that covered previous and current coursework
- Led content discussion with co-facilitators, lead reviews of homework and exam topics, and attended weekly planning meetings with professor to address student concerns
- Created original study guides and notes for peer-use

Health Careers Mentorship Program

January 2019 - Present

- Shadowed 20 different individuals in the healthcare field, with adult, pediatric, and Department of State Health Services rotations
- Shadowed Travis County EMT service members to observe emergency response procedures and care

Dell Children's Medical Center Volunteer

May 2018 - Present

- Weekly volunteer in the pre- & post-anesthesia care units and Simply Safety Store, provided at-cost safety equipment to economically disadvantaged members of the community
- Received additional shifts in other departments for a total of 750 volunteer hours as of July 2019
- Transported patients, guided parents, and worked closely with nurses and clinical assistants to ensure improved patient care

Meals on Wheels Volunteer Driver

April 2018 - Present

- Delivered nutritious meals weekly to seniors and home-bound adults at no cost, while acting as a source of consistent contact to ensure their well-being and safety
- Established relationships with meal recipients on route, serving as a dependable and welcoming acquaintance

Crisis Text Line Volunteer

May 2019 - Present

- Volunteered weekly listening and responding to texters currently in crises, including emotional and financial distress
- Conversations involved assessing suicide risk in texters, facilitating action plan creation for texters, and coordinating with Crisis Text Line supervisors and emergency services when texters were imminent risk.

University of Oklahoma

Norman Regional Oklahoma Wound Care Center Volunteer

January 2016 – July 2016

- Volunteered biweekly in the administrative and clinical area for a total of 108 service hours
- Tasks included welcoming and counseling patients, cleaning and organizing patient rooms, check-ins, and patient scheduling

OTHER ACTIVITIES

- U.S. Congressional Campaign Internship
- NASM Personal Training Certification
- Hospital Disaster and Active Shooter Drill Training
- Health Careers Mentorship Program Social Chair
- Delta Sigma Pi Brotherhood and Finance Committee
- 143 hours shadowing healthcare professionals
